

# Sacred Heart Family Medicine

PERSONALIZED CARE. TRANSPARENT PRICING.  
DIRECT ACCESS TO YOUR DOCTOR.

## Meet Your Doctor

Dr. Elizabeth Wright, MD

- 13+ years serving the Brownsburg community
- Founded Sacred Heart to provide better, more personal care
- Small business owner who understands cost and value

### The Traditional Healthcare System: What Are You Really Paying For?

- Long wait times
- 15-minute rushed visits
- Urgent care & ER overuse
- Copays, deductibles, surprise bills
- Lost productivity at work

### The DPC Difference

- No copays
- No hidden fees
- Same/next-day appointments
- Longer, unrushed visits
- Direct access to your doctor (call/text)

	Monthly Fee
Adult <65 years old	\$100
Child	\$50
Adult 65 years old and older	\$120
Family of 6 Cap (2 adults, 4 children)	\$350

## Simple, Transparent Pricing

- Discounted rates for 6+ employees
- Predictable monthly cost
- No billing surprises

## Cost Savings

Potential to save hundreds to thousands per year per patient

- Wholesale medications
- Discounted labs
- Fewer urgent care visits
- Reduced ER utilization

## Why This Works for Your Business

- Healthier, more engaged employees
- Less time off work for appointments
- Faster return to work
- Improved retention & morale
- A meaningful, affordable benefit

## Let's build a plan for your team!
